Job Title: Staff Nurse Part-Time

Department: Medical

Reporting to: Head of Nursing and Family Services

Job Purpose:
This position will be responsible for the day-to-day management of the Med Shed in conjunction with, and in the absence of the Head of Nursing and Family Services, ensuring the provision of safe and effective care for campers, staff, and volunteers onsite. This position will cover both day and night shifts and flexibility in working days and hours may be required. This position will work onsite at Barretstown. (25 – 30 hours per week)

Responsibilities Specific to the Post:

Clinical Component
• Ensure effective and safe medical management of campers, families, staff, and volunteers while onsite at Barretstown.
• Ensure all treatments and procedures are carried out as requested by the child’s referring hospital and/or by their parent; (this includes but is not limited to administration of medication, personal care, injections, central venous access and care, and enteral feeding).
• Assume responsibility for the med shed during their rostered shift.
• To complete admin duties as required; (this includes but is not limited to manging daily clinical workload, assessing applications for eligibility, inputting medical details onto CRM, completing cottage list, preparing charts for each session, communicating dietary requirements to our catering supplier etc).
• Liaise with camper parents/guardians regarding camper health and wellness.

Professional
• To maintain current clinical, educational, and professional knowledge.
• Knowledge and understanding of HIQA Standards and how they apply in practice.
• To always promote and adhere to Barretstown core values and behaviours.
• To be accountable for one’s own action in accordance with the “Code of Professional Conduct for each Nurse and Midwife”.
• Ensure confidentiality on all matters and information obtained during employment and thereafter.

Essential Criteria:
• Is registered on the Children’s Division and/or the General Division of the Register of Nurses & Midwives maintained by the Nursing and Midwifery Board of Ireland
• Have at least 1 years post registration experience
• Computer skills: word, excel, knowledge of CRM systems.

Knowledge, Skills & Competencies
• Is an effective leader and a positive driver for change.
• Continually strives to improve service delivery.
• Demonstrates the ability to work independently as well as work with a wider organisational. team in an ever-changing environment.
• Has excellent influencing and communication skills.
• Is personally committed and motivated for this role.

Note: this job description will be reviewed and updated in line with the needs of the organisation. Barretstown is committed to providing equal opportunities throughout the employment process.
